Dear Steve,

I am writing to say a very big thank you for the excellent job that you have done on our windmill roof. At all times both you and your men have conducted themselves superbly. You have kept us in the picture at all times, responded quickly to any queries, and have made us feel that our problems are your problems. Despite bad weather, you have completed the work quickly and efficiently.

From having literally, pints, if not gallons, of water coming in everytime it rained, not one drop of rain now makes it's way in. Your men are communicative, polite and friendly and a credit to Jones and Woolman, and we consider ourselves very fortunate to have found you.

We have no hesitation in recommending you to anyone who is considering availing themselves of your services.

Yours Sincerely,

CHRIS HALLAM
